Re: Groom Creek Water/ Proposed Increases

Dear Commissioner Mayes,

We are long time residents of Groom Creek and we are definitely not in favor of your proposed base rate of \$50.00 for Groom Creek Water Users. We believe you do not have all of the correct information relating to replaced piping and other work that has been done throughout the years. While we do believe some improvements should be made, we feel not all of them, as proposed, are necessary at this time.

Many of the residents, as well as us, are senior citizens living on fixed incomes. Certainly the economy at this time does not warrant such a large increase. It will definitely be a hardship.

We would like you to reconsider such an exorbitant increase and propose an amount of a more reasonable nature.

We very much appreciate your consideration in this matter.

Thank you,
